

Dominion Bureau of Statistics
(Issued June 21st, 1928)

Marriages, May, 1939

The Dominion Bureau of Statistics issues today the number of registrations of births, deaths and marriages during the month of May, 1950, in 67 cities and towns of Canada having populations of 10,000 and over.

Births registered in these cities and towns during May numbered 7,501, deaths 4,711 and marriages 3,392, as compared with 7,023 births, 4,595 deaths, and 3,223 marriages in May last year, showing increases of 7 per cent in births, 2 1/2 per cent in deaths

Births registered during the five months, January-May of this year totalled 35,920, deaths 23,715 and marriages 12,719, as against 34,304 births, 23,776 deaths and 12,859 marriages during the corresponding five months of last year. This comparison shows increases of 4 per cent. in births and 4 per cent. in deaths, and a decrease of one per cent. in marriages.

National Health Plan

Canadian Medical Association Gives Attention To Scheme

Montreal—Any national health insurance scheme in Canada "is met at once by constitutional difficulties which are now under consideration by the royal commission on Dominion

The C.M.A. refrained from a definite stand for or against compulsory health insurance, favored further study and retained H. H. Wolfenden, Toronto consulting actuary, to advise it.

Both the Caritas and the Protestant Evangelical societies perform hospital, public welfare and charity work throughout Germany. Previously they were forbidden to make street collections.

ve militia will receive camp training this summer, according to the schedule issued by national defence headquarters. 2313

Young Women Healthier
Montreal. — Taller, heavier and healthier, young women are 16 per cent physically fitter than they were 25 years ago, according to measurements, records and tests of students attending McGill University since 1910.

Cambridge University honoured Lord C. Kennedy, American Ambassador in the 1960s on them recently. This picture shows Lord and Mr. Kennedy leading.
